With no Game For Saturday, Varsity Players Will Enjoy Vacation to Recover From Gruelling Games in East.

A halt was called in varsity football activities at Notre Dame Menday and no practice will be given the squad for several days. The strenuous work which the men have done win the past two weeks has earned them a good rest in the opinion of the coaches and, because of the cancellation of Saturday's game by Wabash, little will be done this week. On account of the fierceness of the last two games and the great amount of traveling that was required to visit West Point and Penn State, the players heartily welcome the rest. When they get back to business again they mean to strive hard to keep their slate clean in the coming contests with Christian Brothers college and with Texas university

With the exception of Rockne and Feeney all the men are in good shape. "Rock" had his legs banged up pretty badly in the Penn State fray but will be in splendid trim in a few days. Feeney injured his shoulder in the Army game and the gruelling Penn battle didn't serve to help it. South Offers Next Games

The coaches will now devote their entire attention to the games in the south. Notre Dame, by her splendld exploits in the west and east has Thanksgiving day she will be called one of the best elevens in the south. blue has induced the coaches to give the Texas tilt all the more notice. On the way to Texas, Notro Dame will stop off at St. Louis on Nov. 22 to battle with the Christian Brothers. Luke Kelly, an old gold and blue tackle and captain, has developed ; good team at St. Louis and intends to give his former teammates a run for Strong Downstate Eleven Will

Post-season game talk is again in the air, this time from far off Oklahoma. The Notre Dame colony of Tulsa in that state have made an urgent request for a game to be played on Nov. 29. Nothing final has been decided as yet but it is not likely that Coach Harper will allow his charges to play two days after the battle with Texas. The Tulsa aggregation is made up of former college stars among whom is Joe Lantry who coached at Notre Dame in 1907.

LEACH CROSS IN TEN ROUND BOUT

New York Dentist Displays Recuperative Remarkable Powers But Ritchie Has Shade in Most of Rounds.

NEW YORK, Nov. 11.-Wille Ritchie, lightweight champion of the world, defeated Leach Cross of this city in a ten round bout, which went the limit at Madison square garden Monday night,

The men weighed in at 9 o'clock, both under the stipulated weight of 135 pounds. The ring side weights were announced as Ritchie 137 pounds and Cross 136 1-4.

With the exception of the first round, which was even, and the eighth, in which Cross had a decided advantage. Ritchie had the honors. In the second after a mixup Ritchie fell backwards on his shoulders ever Cross, who was in a stooping posi-tion. Though the fall was a heavy one Ritchie did not seem to be much the worse for it,

Cross Comes Back Strong. In the third round Ritchie knocked Cross down twice, each time for the count of nine. The first fall was from a right smash on the jay followed by a right smash on the jaw followed by regained his feet Ritchie rushed him across the ring and put him down again with another right which was more of a shove than a blow. When Cross got up he caught Ritchie with a hard left hook on the jaw. It almost lifted the champion off his feet. as if Ritchie would win easily, but Cross was full of fight and his power of recuperation surprised the western boy as well as the spectators,

No Chance to Use Right. From the fourth round to the end of the seventh Cross received most of the punishment, but he kept Ritchie busy and the fighting all through was hard and fast. Cross apparently did not mind the stiff jabs he was receiving, contenting himself with waiting to use his deadly right swing. A chance to do so never came.
